Notice Regarding Extraordinary Items in Other Expenses

Sharp Corporation (the "Company") announces today that it recorded extraordinary items in Other Expenses in its consolidated financial results for the fourth quarter ended March 31, 2013.

The Company is in the midst of drastic business restructuring for future growth under the harsh business environment. Under such circumstances, it recorded extraordinary items in Other Expenses due to changes in the business environment.

1. Main extraordinary items in Other Expenses

(millions of yen)

	Amount
1. Impairment loss Impairment loss on noncurrent assets of LCDs and audio-visual equipment whose profitability declined and for which there is no prospect of investment recovery, due to the changing business environment such as the yen's steep depreciation and fluctuation in demand on small- and medium-size LCDs	47,396
2. Restructuring charges Mainly loss on the cancellation of lease contracts regarding solar cells due to business restructuring	17,352
3. Provision for loss on litigation The estimated amount of expected future loss arising from overseas civil lawsuits seeking monetary compensation for damages resulting from the Company's behavior in TFT LCD business	32,321

2. Impact on financial performance

The consolidated financial results for the year ended March 31, 2013, announced today have reflected the impact of the above items on the Company's financial performance.
